Cost: £38 for Friends of Nature in Art
£45 for Non-friends of Nature in Art

Full payment for this course is due by: 12th February

Suitable for: **Improvers**

Course description

Come and learn how to create vibrant colourful paintings using molten beeswax and a small electric iron in no time at all! This workshop is designed for people who have already done some work in Encaustic Art who wish to explore more ways to work with wax and improve their technique. As well as using the iron to create abstract, fantasy and landscape images, we will be using the stylus tool, a heated pen that allows finer detail to be added to your paintings. A fun day to play and allow your imagination to soar!

Example of Elaine's work can be seen on her website www.ArtbyElaine.co.uk.

Materials

Please wear old clothes or an apron as wax can drip and will not wash out. All equipment will be provided and there will be a materials charge of £12 payable to the tutor on the day. There may also be some additional materials available to buy if students wish to explore beyond the basic kit supplied.

How to book

To book onto this course please complete a Nature in Art course booking form and send to the address at the bottom of this sheet with payment (cheques to made payable to 'Nature in Art'). A non-refundable deposit of £20 will secure your place on the course but once booked full payment must be received at least 4 weeks prior to the start of the course (otherwise your place may be offered to another applicant). *Not all courses fill up before the payment date, so please feel free to enquire about availability*

About Elaine Jones

Elaine began Encaustic Art in 1997 and she has been Artist in Residence at Nature in Art. She is a member of the Gloucestershire Society of Artists and the Wallsworth Art Group and her paintings have sold both here in the UK and abroad.
